DETAILED ACTION

Specification

1. The examiner notes the change to the title of the invention and hereby withdraws the objection made in the previous Office action.

Allowable Subject Matter

2. Claims 3-19 are allowed.
3. The following is an examiner's statement of reasons for allowance: the examiner is unaware of any prior art which suggests a semiconductor device which uses a field dispersion region located between a body region and drift region such that it is only present at regions where the emitter region is located.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
